

## **AEF 10 Year Anniversary @ 2018 Plugfest**

Dear AEF Members,

This year is going by quickly and everyone is busy preparing for another growing season. We wanted to also point out this is a special year for the AEF, as we move into our 10<sup>th</sup> year of activities. With your support, the AEF has grown to include over two hundred members and has provided greatly to the agriculture industry. But this was only possible with your continued support.

We are currently working on our plans for the European Plugfest and General Assembly meetings in September. We are hoping to make this a special event and looking forward to it being a record breaking opportunity for members and visitors. We would like to provide an opportunity for member companies to provide support by becoming a sponsor of the event. We anticipate this being a great opportunity to promote your companies and the AEF. We would like to hear from you if you are interested in a sponsorship and provide you with more information.

We greatly appreciate your dedication to the AEF and sincerely hope you consider this opportunity to promote your company and the AEF by becoming a sponsor of the Plugfest and General Assembly event on this special anniversary year.
